On June 21st, 2018, Juerui Industry and Cara Nord and Castell del Remei cellars organized a fascinating wine dinner at Napa Wine Bar & Kitchen. Chef Francisco Araya led the most veteran restaurant on the Bund and prepared a menu with seasonal ingredients and compelling dishes. One of the most outstanding dishes was the Iberico pork tenderloin, accompanied with very thin slices of Blazquez Iberico Acorn Ham and egg-plant pure. The dishes were paired with some treasures from Catalonia: CARA NORD wines and CASTELL DEL REMEI wines. CARA NORD from D.O Concaba de Barbera are wines that grow at altitude in the Prades Mountains under difficult conditions, creating unusual wines in a clean and unpolluted environment. The result is a limited production of original wines with unique organoleptic qualities. To finalize the event, the legendary CASTELL DEL REMEI was introduced. The water featured was Solan de Cabras premium natural water, it was the perfect occasion to launch the new product and introduce the water among all the new partners and F&B friends. The dinner was a total success, many friends, partners and clients attended the event and we had the pleasure to share some time with reputed faces in Shanghai such as Mr. Ignacio Concha, the General Consul of Chile.

卡拉诺酒庄和乐米城堡酒庄葡萄酒品鉴会在西柏丽举行 Cara Nord and Castell del Remei Private Wine Tasting at Xibarita

2018年6月20日晚，爵瑞实业携手西班牙卡拉诺酒庄和乐米城堡酒庄在西柏丽门店举办了一场私人红酒品鉴会，旨在通过最精致的口感让更多人了解这两家酒庄的葡萄酒。Ruud先生，作为酒庄集团亚洲区代表，首先介绍了卡拉诺酒庄的故事：葡萄在普拉德山区艰难条件下种植，在纯净无污染环境中生长，从而酿造出不同寻常的葡萄酒。在场的来自Drink Magazine的媒体界友人对这些产自山区的葡萄酒表现出了极大的兴趣。尽管如此，当晚全场的焦点是一款名为1780珍藏干红的葡萄酒。其生产商乐米城堡酒庄是一个百年酒窖，坐落在塞格雷河岸产区的历史遗迹中，该地区最早的农业生产活动可以追溯到1780年。当晚售出多件1780珍藏干红，因其浓郁的果香和圆润饱满的单宁结构，成为了VIP客人最喜欢的葡萄酒之一。

On June 20th, 2018, Juerui Industry and Cara Nord and Castell del Remei cellars organized a private wine tasting at Xibarita. The purpose of the activity was to bring the most exquisite palates in "petite comite" to know more about these wines. Mr. Ruud, the Asian representative of the Group started with CARA NORD winery, vines growing in the Prades Mountains under difficult conditions, creating unusual wines which truly reflect the clean and unpolluted environment. Press guests from Drink Magazine seemed very curious about these mountain wines. However 1780 was the focus of the night. Castell de Remei is a centenary wine cellar situated in an historical estate from the denomination of Origin Costers del Segre, where the first vestiges of agricultural activity date back to 1780. Several cases of 1780 were sold, being this wine one of the favorite among Chinese VIP customers due to its excellent fruit concentration that embraces a well rounded and polished tannin structure.
